School Application

If your child was born between 1 September 2014 and 31 August 2015 read on.

School applications will begin in October. I do not want to overload you with information right now but some parents have been asking. What you can do now is to find out where the schools in the area are and check their websites for open days. Some schools ask you to book these in advance.

In a few weeks time I will add some more information about the application process.

New School year new routines. If you are new to Kindiejoes or need reminding this is the sequence to washing hands that we teach the children. We would very much like you to use the same at home. This is the advice from Public Health England.

First wet your hands

Then add soap

Next rub hands to make bubbles

Finally rinse and dry.

Hand Hygiene
Are you doing it
right?

Thank you for marking bags, coats and other items of clothing. It does help us alot.

Changes Ahead

The school and the Church have been in negotiations with the residents of Ablea Green over the access to the school from the Church side. It is quite possible that very soon we will not be able to access our site either by car or on foot from the Church side and the only access will be from the Rosebank. I will keep you informed as I get details. I would ask you all to see the positives in being able to walk with your young children and all the conversations you can have. It could be quite a change of habit.

Invoices

You should have received your invoice this week. Please let Rani know if you have not or if you would like a payment plan.

Please enquire with your employer if they run a voucher scheme - this is a tax efficient way of paying for your child's preschool education and afterschool care when they get older.

I would ask you to look into it now (if you have not already done so) because the scheme's will be closing to new entrants very soon.

Paying by Voucher Scheme

The voucher providers have asked that we make you aware that the schemes are closing to new entrants. If you are already in a scheme you do not need to worry but if you are not in a scheme or did not know about it time is running out to join. Rani, Viv and Louise can explain some or follow the link for the official information <https://www.employersforchildcare.org/campaign/giving-parents-a-choice-of-childcare-support/> or if you know you would like the schemes to remain open while you investigate you can join the campaign by doing the following:

Contact your local MP: Ask them to sign the Early-Day Motion and put pressure on the government to keep Childcare Vouchers - it's free, easy to do, and takes less than five minutes. Just visit www.theyworkforyou.com, enter your postcode to find out who represents you, and click on the green "Send a message" button to contact them.

Share this campaign with your networks: Encourage parents who use your services as well as staff and colleagues to write to their MP. As the deadline to join the scheme approaches, they may lose out unless the government keeps it open.

My apologies I am going away for the weekend and have run out of time to add photos to this week's newsletter.

I can promise you that we have had a lot of fun.

Why not send us some photos of what you have been doing over the weekend. You can do this by adding them in Tapestry. We really would love to see.
