Nurturing Your Child Through Play

If your child is not able to attend a session, please would you email the office. It would be helpful if you gave the reason for the absence.

For Safeguarding reasons if your child has not arrived we will attempt to contact you but would very much prefer you did not leave it to us to call.

A gentle reminder that smoking is not permitted on the site. Could I politely ask you not to smoke when your children are near you. The smell tends to remain on your child for quite sometime and we do have some children with respiratory conditions that are affected by the lingering smell of smoke.

Car Park

Thank you for not parking in the school car park.

Our First Nativity

Jon has not only given me a really lovely DVD of the performance but he has also put some onto disc. Jon thank you so very much.

If you would like a copy of the disc please send a donation of £1.00 which we will end of to Children in Need Charity and I will let you have a DVD.

Lauren has given me the photos she has taken and I will be putting them on your Tapestry Learning Journeys but please be patient with me. Next week is going to be really busy as it is the time I do battle with the funding portal to get the funding sorted out.

Weren't they all wonderful. It is such a big thing to ask the children to do to stand up in front of you all and sing and be seen. Well done to all the children.

We very much welcome your contributions to our fruit basket. The snack table is very well visited by the children.

This time of year we have lots of runny noses and coughs so a box of tissues and a packet of wipes is much appreciated also.

We have noticed some new coats and hats. Santa has been very generous. Some of the children are not recognising their new clothing so please, please, please will you mark new (and old) belongs with your child's name.

Uniform

Sadly Tesco's will be closing their embroidery service on 12 February. If you are thinking of buying uniform sweatshirts and T-shirts you will need to order them now. I will be looking around for a new supplier if you know of anyone please let me know.

A little reminder about how to wash hands.

First wet your hands

Then add soap

Next rub hands

Finally rinse and dry.

Pooh Corner

Is the Toddler group that meets in the Church on Monday Mornings. They are looking for volunteers to help set up and generally help. Let me know if you might be able to help.

I thought I would add some preventative advice about nits and headlice. Sadly this is one of the downsides of having groups of children together. However I do need to emphasise that although these little beasts are annoying they do not cause harm.

Good advice is **once a week take a peek**. When you wash your child's hair, once a week use a conditioner and using a nit comb look through your child's hair. This should prevent the beasts getting too comfortable. Should you happen to come across the pests ask one of the local pharmacists for their recommended preparations and let us know so that we can warn others to be on the look out.

Another preventative measure is just to brush your child's hair everyday. I know that not all children like having their hair brushed but nor do the little beasts.

Last Week

Our sound of the week was the "sssss".
The children had a great opportunity to use their fingers to trace the letter itself.

What better way to test out that sound by making some "S"cones.
The children mixed, rolled and cut the dough. It went into the oven.

And came out delicious!

Did you know that on Tapestry you can leave us a comment to let us know what you think. If writing words is asking too much how about using the likes button.

Thanks to all of you who have for likes button
